Dear Parents

A very busy and exciting Summer Term has arrived and this term we will continue to learn about the world around us and care for the flowers and vegetables we have planted. We will also look at the insects in our gardens and start to learn about the wider world we live in. We will also do some activities to celebrate the Queen's Diamond Jubilee and of course the Olympic Games. Attached are the outlines of some of the activities for this term.

Morning Snack

Snack money now due in one contribution of £10 or £5 if you prefer to pay in two instalments for the term. We will continue to enjoy a healthy snack and will enjoy learning to cook some snacks ourselves.

Miss Underwood has been busy preparing our 'Wishing Tree' which is now ready in the top playground where the children leave school at the end of the day. The purpose of this is for us to put requests on the leaves for items or jobs which we may find useful in school. You may be having a clear out or Spring Clean and your 'junk' may be our 'treasure'. Please take time to glance at the tree from time to time in case you can help with any 'wishes' on the tree.

We are also creating a Reception Class notice board as you enter our door into school. When we have done this, we would welcome any feedback and ideas for any other information that you would find useful.

Thank you to the parents who have been in to read and help with my class. It is always helpful to have the extra support for children at this age.

Yours sincerely

Karen Thomas
Class Teacher
