

## Sports Premium Funding 2020-2021

**School Name**

**George Grenville Academy**

**Head Teacher**

**Emma Killick**

**PE Coordinator**

**Elle Brown**

### PE and School Sport Premium

The government in England is providing additional and substantial, ring-fenced funding to provide support to primary PE and school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school to spend on improving the quality of physical education and sport for all their children.

### Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

### Vision – School

At George Grenville, we believe a high quality PE and games curriculum should be an integral part of the whole school curriculum and by using specialist sports coaches, our children can access the best possible training in order to develop their skills. We believe that every child deserves the same opportunities, regardless of background. We therefore make it a priority that all our pupils have an opportunity to enter sports competition, to experience being part of a team. Sport and physical education is part of the whole day and fitness breaks are encouraged. We strongly believe that fit and healthy children contribute to active and engaged learners. Due to covid, some of these opportunities may not be possible this year. We will therefore use the money to invest in enriching the PE provision in school to maximise the opportunities the children have. We will also ensure there is a greater emphasis on physical activity as a result of the recent lockdown and decreased fitness in the children as a result.

Provision	Funding to support	Objective	Impact
Children accessing 2 hour a week of specialist coaching for Games/PE each week. (Next Level Coaching)	£9,120	High quality teaching targeting specific PE skills. Increased fitness and health	Pupils all had access to 2 hours of high quality Games/PE. During lockdown, daily physical challenges were set and weekly online lessons were posted on YouTube. Out of the children at home, 50% accessed these regularly.
Extra fitness/wellbeing sessions timetabled from specialist sports staff	£1,800	Increased fitness and health Improved mental health	100% of pupils had access to an extra wellbeing focused sports hour a week. This included focus on resilience, teamwork and developing coping strategies. In pupil voice interview, 100% of pupils were finding these sessions motivating and many could site using strategies learnt at home.
Sports Coordinator time (1 hour per week)	£2, 109	Focus on knowledge organisers for curriculum. Ensure knowledge and skills are built upon each year.	Sports Coordinator met regularly with sports team. Overview and progression of skills developed for the whole school and quality of teaching monitored.
Swimming provision for all KS2 children	£1,800	For all KS2 pupils to leave the school being able to swim.	This did not take place so money moved to resources for playtimes and extra sports sessions for nursery including soft play. All nursery pupils were able access sports sessions and join a sports day run by specialist staff.
CPD – Invest in professional development for support staff.	£760	Ensure all adults are confident in leading and supporting PE lessons and games during break times.	CPD with 100% of support staff took place. 100% of support staff confident with organising and running games during break times.

Purchase resources to enhance sporting opportunities across break times.	£2,000	Pupils have access to high quality sporting equipment.	Resources purchased. Playground divided into areas with frisbees, golf, archery, tennis, small games such as quits, elastics and skipping, bats and balls. Playtimes calmer and pupils talking and excited about different sports. Fitness levels starting to increase.
