

Headteacher's Report

I would like to take this opportunity to thank the FROGGS for all of their hard work over the last year. It has been an unprecedented year and one that has been particularly challenging for organisations such as these who rely on face to face events and social interactions in order to raise much needed funds. That saying, before lockdown there were many events organised which have added to the wider life experiences for the children in the school, as well as raising much needed funds.

During the Autumn Term, the children all created Christmas cards as part of a fundraising initiative which was both enjoyable and profitable. We also had firm favourites return again this term with a Halloween disco, Secret Santa and the Christmas Fair along with some new events like a Christmas hat sale and Festive Friday! The FROGGS team also organised the Christmas Parade which was the “talk of the town” with its huge elephant and Lion King theme. So many families got involved and the singing was fantastic. My favourite part of this event was seeing so many members of the parent community “getting stuck in” to helping dress lion cubs and hyenas ready for a rainy walk. The creativity and enthusiasm was inspiring! I was also very impressed with the dedication of the families that shook some buckets outside Tesco on Christmas Eve....what a testament to the dedication and sense of pride so many families have for our lovely school!

I was also impressed to see the FROGGS team manage in our “difficult” kitchen and cook as many sausages they could for more popular hot dog days. I know that they will be really pleased when the new ovens arrive!

It has been lovely to watch the staff of George Grenville attend more meetings and be welcomed so warmly by the parents each time. Thank you to everyone who has been involved in planning and organising these events – we could not do it without you.

Although most of the money raised is being saved towards the fitting of a new kitchen, we have been fortunate to have received some vital computing equipment for the school along with some classroom furniture that has improved the teaching and learning environment for the pupils at Grenville. I am excited to now be able to share with you all the plans for our new teaching kitchen that will be finished during this academic year. With the vital funds raised by you, the FROGGS, we are now able to remove the old kitchen, redecorate, update the electrics and install some new lighting and a new floor. Barrett Homes have agreed to supply and fit the kitchen you can see below in the photograph and by the end of this year, all children throughout the school will have cookery lessons timetabled into their curriculum.

Thank you for all of your help and support.
