

Report on Swimming 2018/2019

School Name

George Grenville Academy

Head Teacher

Emma Killick

PE Coordinator

Elle Brown

Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Vision – School

At George Grenville, we believe a high quality PE and games curriculum should be an integral part of the whole school curriculum and by using specialist sports coaches, our children can access the best possible training in order to develop their skills. We believe that every child deserves the same opportunities, regardless of background. We therefore make it a priority that all our pupils have an opportunity to enter sports competition, to experience being part of a team. Sport and physical education is part of the whole day and fitness breaks are encouraged. We strongly believe that fit and healthy children contribute to active and engaged learners.

Swimming at George Grenville Academy

Children across KS2 participate in swimming lessons for one term in Year 3, one term in Year 4 and half a term in Year 5 and 6. These lessons take place at the local swimming pool, The Swan Pool, and are led by trained swimming coaches. There are also two members of staff at Grenville who are trained. Below are the swimming figures for Year 6 (2018/2019)

Meeting national curriculum requirements for swimming and water safety	Impact
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	78%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	78%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	63%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Impact Analysis

Over 75% are reaching their target which is a huge improvement from the previous year.

85% were at the school throughout KS2 so went swimming in Year 3, 4, 5 and 6 which evidences that regular swimming throughout KS2, makes an impact.
