2. **Recipients: Whole School**

Date: 1-Apr-22

Action Required: Decorate a hat or egg

Next week sees the traditional FROGGS event that we all look forward to... the Easter **Eggstravaganza** on **FRIDAY 8th APRIL**

We will be holding a whole school assembly where the children will be together to show off their **Eco Easter Bonnets** and **Decorated Eggs**!

All children in Nursery to Year 4 are invited to make Easter Bonnets with a thought to recycling and reusing rather than buying and Years 5 & 6 will be asked to decorate an egg, with whichever theme they wish!

Please see the attached images or have a quick pinterest search to get some ideas! You could also watch the video from last year for some ideas.

<https://www.georgegrenville.co.uk/whole-school-assemblies.html>

Please could the children to bring in their hats or bonnets and eggs to school on FRIDAY 8th ready to parade them in front of the rest of the school.

There will also be an EASTER Extravaganza after school on the playground (or in the hall if the weather is wet.) There will be fun games, treasure hunts and of course, lots of chocolate treats!!!

Please stay for a short time after school to show your support and join in the fun!

Nursery Corner

Nursery enjoyed a lovely afternoon at the Buckingham University Bookshop. Every child was able to take away their own book using their World Book Day voucher. We also got to choose a large number of books to buy for nursery. We really enjoyed exploring the wide range of books available and selecting our favourites. The visit was finished off with stories being read to us by Alison, the bookshop owner, and university students studying English Literature. We would like to say thank you to everyone who helped make the visit so great.

Reception

Last week Reception went on wonderful trip to Salcey Forest. We followed the Superworm trail to learn about the super powers of some of Superworm's friends!

Year 1

All year in Year 1 we have been practising our rolling number. Last week we found way we can use them when outside enjoying the sunshine. Some children made hopscotch and counted in 10's. Some hula hooped while counting in 5's and many other ways.

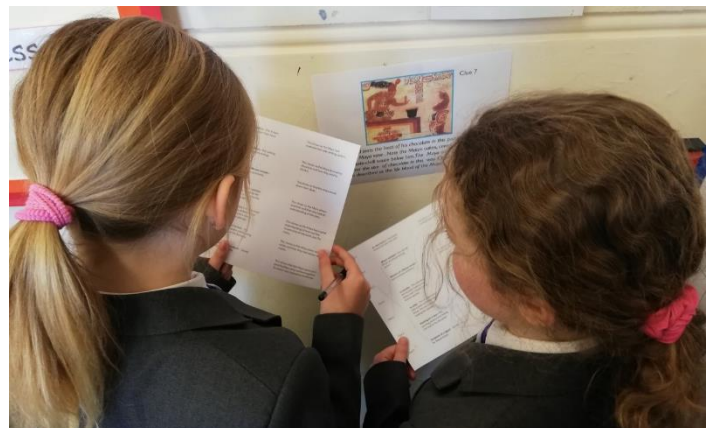

Year 2

This week, Miss Evans has taken Year 2 to the pond to assist Riley with his school council research. Whilst there, they made an amazing discovery - frogspawn!

Miss Evans has very carefully put some into a tank, which is now in the Year 2 classroom so we can observe all the exciting changes to come...

Year 3

Year 3 have been searching through the Mayan ruins of Tikal deep in the rainforests of Guatemala. They have been looking at the artefacts and evidence left behind, matching clues to descriptions and trying to understand what made the Maya special and why they are important in the story of the history of chocolate...

Year 4

Year 4 LOVED their trip to the National Space Centre this week! They stepped inside a mock-up Columbus module, explored the universe and solar system, and watched a show, 'Astronaut', in the Planetarium.

Year 5

Year 5 have been using their free time to test their science knowledge using the Brainbox games that have been added to their reading corner. They've loved testing each other and learning new things to enrich their science curriculum!

Year 6

Year 6 have been working really hard on Roman numerals this week. They have learnt a fantastic song with actions to help them remember the numbers!

School Calendar

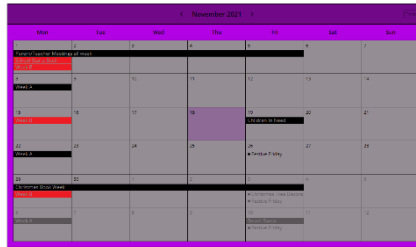

Please keep visiting the calendar page on our website to ensure you have all the most up to date information.

Friday 8th April – Easter Eggstravaganza and Easter Bonnet/Egg Decorating Competition

Friday 8th April – School Breaks up for Easter

Monday 25th April – Summer Term Begins
