Off By Heart Poetry Competition

This is a gentle reminder to support your child with learning their poem over this week and half term for our Off By Heart Competition. This is such a wonderful opportunity to explore language and learn new skills. The children can choose to simply recite the poem (learn it off by heart), or put actions in as well.

Each class will hold their own competitions in the week straight after half term (31st October) and the winners from each class, will perform at our special Poetry Celebration Assembly on **Friday 3rd November at 2:30pm.**

Learning poetry by heart is a great way to develop vocabulary for writing as well as boosting memory skills so we urge you to support your child in learning their chosen poem. Thank you.

After School Clubs – Coming Soon!

We are excited to announce that afterschool clubs are returning after half term! These will run alongside the exciting clubs that Nxt Level Coaching run every evening. To book a Nxt Level club, please visit their website. The clubs on offer below are available via parentmail from 6pm on Sunday 15th March. Book early to avoid disappointment.

Day	Club	Year Groups	Cost
Monday	Card making club	Reception, Year 1, Year 2, Year 3	£17.50
Monday	Board Games Club	Year 4, Year 5, Year 6	£17.50
Tuesday	Cookery Club	Reception, Year 1, Year 2, Year 3	£27
Wednesday	Story Box Club	Reception, Year 1, Year 2, Year 3	£21
Wednesday	Choir (Joining the Young Voices)	Year 4, Year 5, Year 6	£21
Thursday	Jewellery Making Club	Reception, Year 1, Year 2, Year 3	£21
Thursday	Science Club	Year 4, Year 5, Year 6	£21

Clubs will run from the first week back after half term for 6 weeks.

(The two Monday clubs will only run for 5 weeks due to INSET and will therefore be cheaper to book)

The cookery club is a little more due to the cost of ingredients.

Clubs will start at 3.15pm and run until 4.15pm.

The choir will be learning the Young Voices songs with the Young Voices Choir but won't be attending the concert in January.

FROGGS' UV Light Disco

A huge thank you to all those who have signed up to help at the FROGGS UV Disco next Thursday. We can only run these events with your support! Most of the slots have been filled but if you are available to help at all then we would still welcome extra support at any of the slots.

We would recommend children wearing white, fluorescent shades or pink, green, blue, yellow or orange, or anything neon for the disco as these work best under UV light!

Tickets are on sale until **10pm on Wednesday 18th October**. UV face painting and glow accessories are also available. They can all be purchased here:

Thank you for the Food Bank Donations

Thank you to all the Grenville community who donated items for the Buckingham Food Bank during our Harvest Assembly last week. Year 5 walked to the Food Bank on Tuesday to drop the donations off. They were able to find out about the work of the Food Bank and how it helps lots of different people in our community.

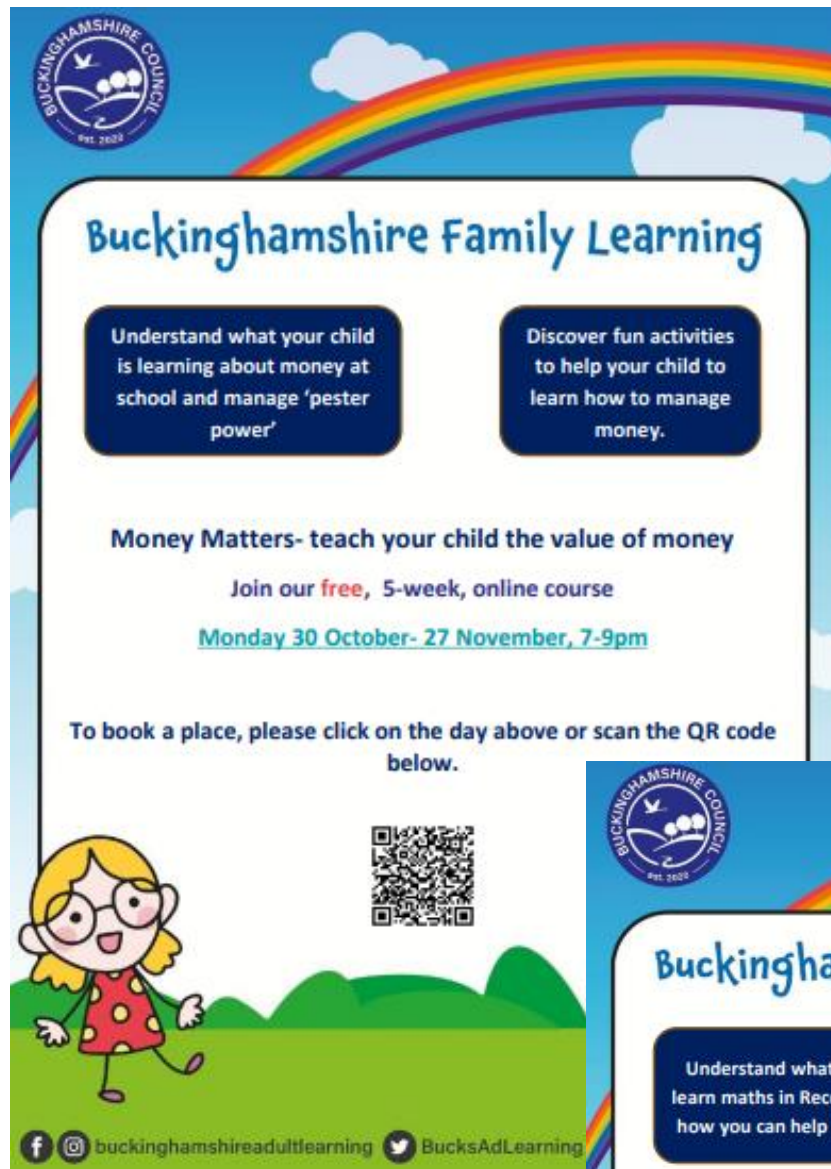

School Playgroup Equipment

The children (and staff) at Grenville were very excited this week to be able to open the new playground equipment that has been installed. After the grand opening, each class, from Nursery through to Year 6 had a chance to explore the new equipment and enjoy using it. It has been used to the max ever since, and it has been so lovely to watch the older and younger children playing alongside each other whilst using it.

We would like to take this opportunity to thank the FROGGS, who worked tirelessly last year to raise the funds to make this happen. Thank you also to the kind people and businesses who donated money for this cause. We could not have achieved this hugely ambitious target without you!

Our oldest child and youngest child in the school had the first go using the slide!

Reception

This week Reception have been reading the story, 'Funny Bones' and have been learning all about the human body and how our skeleton works. We have also been running a busy doctor's surgery, booking appointments and helping people feel better. In Maths, we have been exploring how tall, short, big, small, heavy, light, full and empty things are.

Year 1

The children in Year 1 this week, have been working on instructions. They followed and then wrote their recipes in English and also followed instructions planting bulbs.

Year 2

Year 2 have been working so hard applying related facts in maths lessons that Mrs Haynes has almost run out of marking pens! Keep up the fabulous work Year 2.

Year 3

This week, Year 3 have been using instructions to learn how to mummify someone. They then followed these instructions to make their own mummies. They had to apply oil and salt to the body, wrap it in paper and trappings. They also had to add an amulet to the wrappings before saying prayers.

Year 4

Year 4 explored digestion in a very practical way, following food on its incredible journey through our bodies!

Year 5

This week, Year 5 visited the food bank to deliver our Harvest donations and to learn about how the food bank helps our community.

Year 6

During Computing this week, Year 6 built on their previous learning of IP addresses and moved on to learning all about data packets (small parts of data shared between digital devices) and had a go at making their own too.
