**Reception**

In Reception, the children have been using their Funky Fingers playing with the play dough, pegging onto a peg board, making lavender bags and even sorting letters!

The children in Reception absolutely love playing on the climbing equipment!

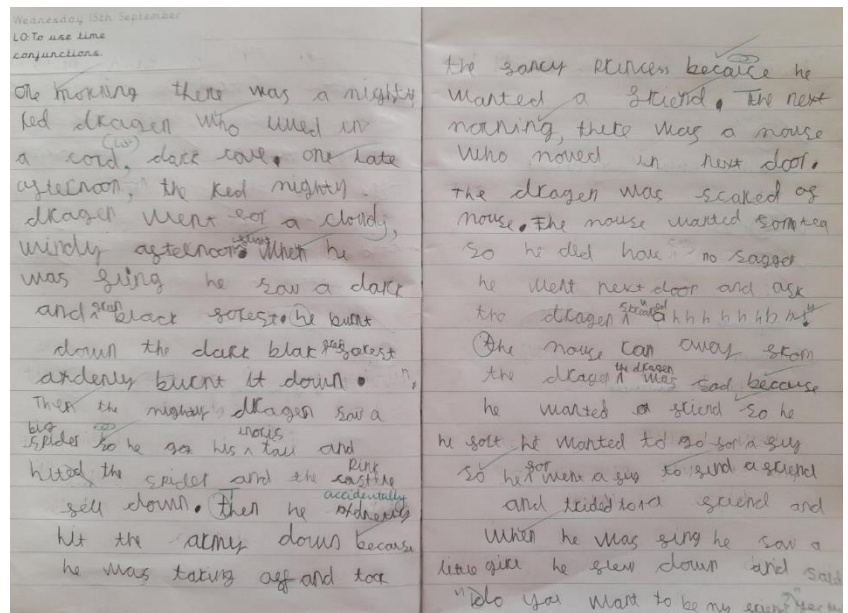

**Year 1**

This week in year 1 we have been using story spoons to retell the story of the Gruffalo. We have been trying to use the story language used in the story.

**Year 2**

After a very sad dragon visited Year 2 on Monday, they have been working hard to rewrite the story of George and the Dragon from his point of view. Every story has two sides!

Mrs Haynes has been incredibly impressed with how much they have written already.

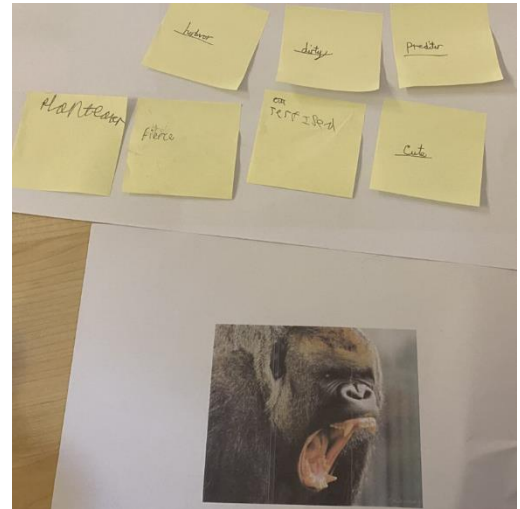

### Year 3

Year 3 have been working in geography to identify different features of a river course. They have been working really well as part of a team.

### Year 4

This week, Year 4 have been introduced to their new topic of Animals, including Humans. They have started by looking at different teeth, in both humans and animals, and have learnt the teeth types and their uses that we have as humans.

### Year 5

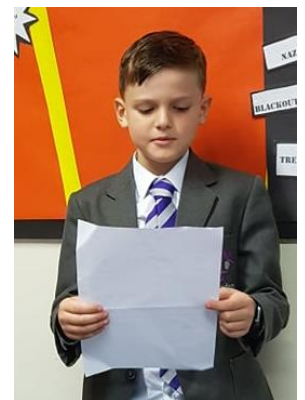

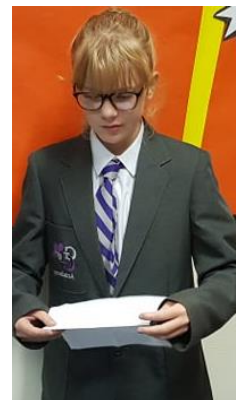

Year 5 have been using the 1901 census and directory to find out who was living on Chandos Road during the Victorian Era. They have also been looking at maps to discover which buildings are still here today. When looking at the census, they discovered that William's family garage dates back to 1902 and was owned by his own family then, too - how cool!

### Year 6

Year 6 have been writing speeches and have elected their school house captains for the year.

**Nursery Corner**

Next week, we will be starting our ‘Lending Library’ again. Children will be choosing their own books to bring home to share with their family. We really want to encourage a love of books and reading and by letting the children choose their own books to borrow, it really encourages that involvement and enjoyment.

More information will be sent home with their chosen book.
