Action Required: Information

Stars of the Week

Well done to all our stars of the week this week. We have been so impressed by all the hard work and effort that has gone into achieving this award.

Year Group	Name	Name
Reception	Raeon	Chloe
Year 1	Ayaan	Ruben
Year 2	Archie	Chloe
Year 3	Rowan	Scarlett
Year 4	Jonny	Eri
Year 5	Alliyah	Emily
Year 6	Jackson	Louie

QUEEN'S PLATINUM JUBILEE

Dear Grenville parents,

You are invited to celebrate the Queen's Platinum Jubilee with the whole school on **Thursday 26th May at 2.15pm.**

We will be having a whole-school afternoon tea (bring your own) picnic outside as part of the celebrations for the week.

Children are also encouraged to come to school on Thursday dressed in red, white and blue for the day (or they can come dressed as a king or queen!)

Lunch will be provided to the children as normal, so if you would like to join in the fun, please just bring a small snack for them to enjoy as a treat. The children will also be decorating a biscuit or cake during the morning that they can eat!

At 2.15, the children will be on the playground and we will start the celebrations by singing the National Anthem, including the new alternate verse from the competition.

We are looking forward to as many parents joining us as possible. There will be refreshments available.

Don't forget to bring a small picnic and a rug to sit on!

Supercook Final

Four children from Year 6 spent Thursday morning cooking a main and a dessert as part of the final of the Year 6 Supercook competition. They were joined by Chris Fox, the manager of Prego Italian restaurant in Buckingham, who acted as the judge.

All four received a cookery book and a voucher for Pregos and the lucky winner, Ritika, also will have her dish featured as the 'special dish of the day' when she visits. We were so proud of all of them. Well done!

What an Achievement!

We are all so proud of Julie Wood, who many of you will know works in our school office. Last weekend, Julie tackled the Jurassic Coast Marathon to raise money for Helen & Douglas house in memory of her daughter, Maisie.

This particular marathon pushed Julie further than any other event has previously done. Below you will see a picture of the hill she had to tackle as part of the route! What is even more amazing is that she placed 44th out of all the runners and was the 20th female to finish. We are so proud of you Julie – what an inspiration!

If you would like to donate to her page, or just find out more about her story, please use the link below.

Nursery Corner

This week, we have been thinking about how we can keep our bodies healthy. We have been making a healthy treat of fruit-kebabs to take home and talk to our families about.

Reception

Reception class have been practising their Cosmic Yoga this week! They are amazing at following the instructions from Jamie...the Cosmic Yoga teacher...tying themselves in knots and developing their coordination skills!!

Year 1

This week, we have been using clay to create their own "Under-the-Sea" clay tiles. They have planned their ideas and experimented with making patterns and texture in the clay and then learnt how to roll their clay. They have then been shaping their under the sea creatures and coral.

Year 2

This week, Year 2 have been applying their pencil shading skills in art and have been planning a route to Chandos Park for a Geography field trip. (We also decided it would be rude not to use the opportunity to let off a little steam after sitting some of our SAT'S tests this week!)

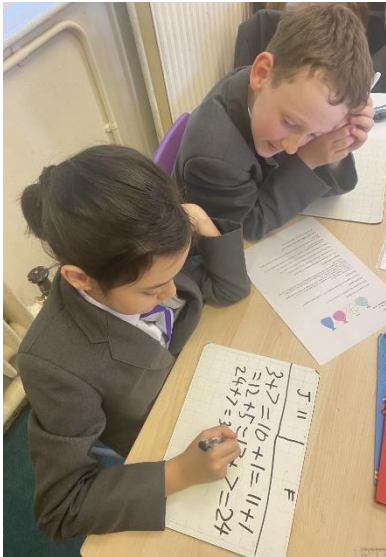

Year 3

This week Year 3 have been learning about rock families.

We melted different chocolate chip 'rocks' into 'magma' and observed what happened as they cooled into 'igneous rocks'.

We also made 'sedimentary sandwiches' by squashing down layers of dead plants and animals, sand, dust and clay!

Year 4

This week, Year 4 have been working extremely hard in maths. They have had different number challenges to complete and have had to use their problem solving and thinking logically skills to solve them.

Year 5

This week, Year 5 have been historical detectives and have been looking at Greek pottery to find out about what everyday life was like in Ancient Greece. They have also been using role play to find out why people visited the Greek agora.

Year 6

This week, Year 6 has been studying the life and works of Franz Marc. We have been preparing to produce lino prints in his woodcutting style, to create a portrait of Queen Elizabeth II.

School Calendar

Please keep visiting the calendar page on our website to ensure you have all the most up to date information.

Thursday 26th May – Whole School Jubilee Celebration at 2.15pm

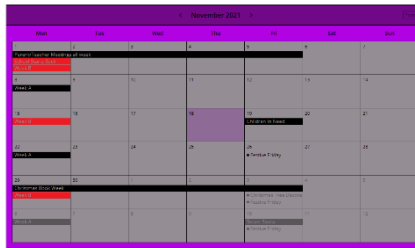

Friday 27th May – Extra Bank Holiday
