Off By Heart Poetry Competition

This is a gentle reminder to support your child with learning their poem over half term for our Off By Heart Competition. This is such a wonderful opportunity to explore language and learn new skills. The children can choose to simply recite the poem (learn it off by heart), or put actions in as well.

Each class will hold their own competitions in the week straight after half term (31st October) and the winners from each class, will perform at our special Poetry Celebration Assembly on **Friday 3rd November at 2:30pm.**

Learning poetry by heart is a great way to develop vocabulary for writing as well as boosting memory skills so we urge you to support your child in learning their chosen poem. Thank you.

NURSERY CORNER

WoW - Week of Walks

Our F1 children really enjoyed visiting Chandos Park for a Teddy Bear's picnic. The children built up their appetites by exploring the play equipment before tucking into the sandwiches that they had prepared earlier in nursery. We had to keep an eye out for Goldilocks in case she came along and ate up all our sandwiches!

Reception

This week in Reception, we have been continuing to explore the story Funnybones. We have made our own skeleton pictures. We have also been exploring and making patterns in Maths. Our highlight has been a visit from our local police because we have been learning about people who help us. We enjoyed putting on the police hats and jackets, seeing the police lights and hearing the siren.

Year 1

This week, Year 1 have been listening to stories that celebrate differences. This inspired them to paint what they want to be when they grow up.

Year 2

This week, Year 2 went on their school trip to Warwick Castle. They watched the bowman show, the trebuchet firing and incredible bird of prey show before entering the castle dungeon and climbing the site of the original fort, ordered by William the Conqueror. They had a fabulous day and were excellent ambassadors of our school values.

Year 3

This week, Year 3 loved using the kitchen to make rice crispy cakes that were on sale after school.

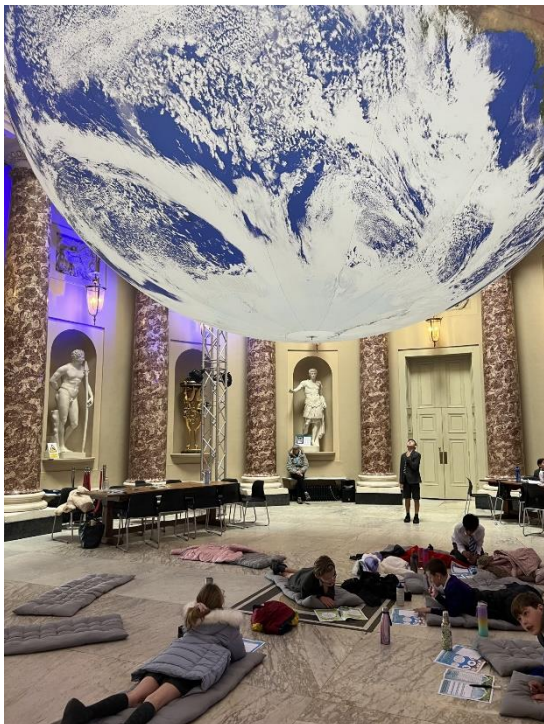

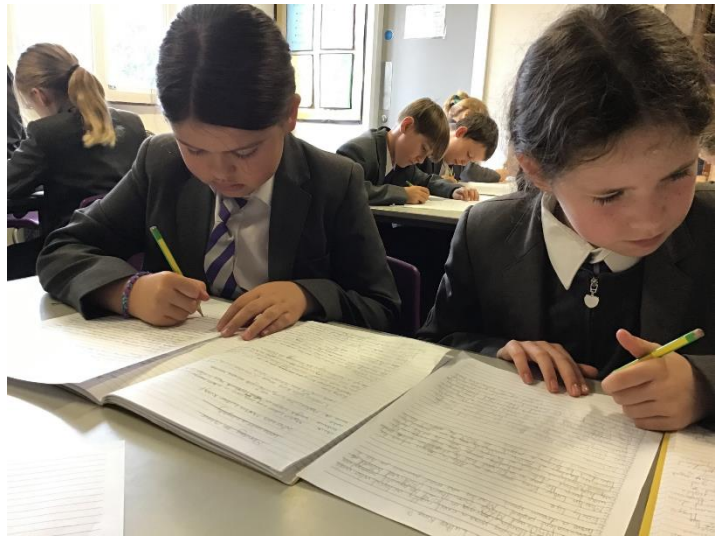

Year 4

Year 4 have been enjoying their music lessons this term and performed their final piece this week.

Year 5

This week, Year 5 have been combining everything they have learnt in their English unit to finish and publish their amazing biographies of Martin Luther King.

Year 6

Year 6 loved their time at Stowe this week! They went to see the Gaia Installation, completed different activities and then used VR headsets to learn more about earthquakes and volcanoes across the world.
