Froggs have been busy making plans, with Covid information and advice in mind, for the Summer Term and despite deciding to not hold a Summer Fayre this year, we will be holding a Raffle with a top cash prize of £100!

However, it would be amazing to add other prizes to this raffle. We are aware that as a growing school, we have many new parents who work for companies who may like to provide a raffle prize to the school.

We always advertise companies who donate prizes and support the school. The completion of the children's kitchen could really do with a boost as we come to the end of this strange school year!

Please email us at [froggspta@gmail.com](mailto:froggspta@gmail.com) or contact the office to let us know what you or your company might be able to offer us, this year for our raffle, as well as in the future.

Also...

- Look out next week for details regarding our upcoming **Father's Day Doughnut event on Friday June 18th...**
- Remember we have a **Non-school Uniform day on Thursday 27<sup>th</sup>**, the last day of term, in exchange for £1 in the Bucket at the gate!

Froggs Committee

**Reception**

The children have been using their Funky fingers to build and peg key words, carefully count loom bands onto sticks to match the number and even using their funky fingers to subtract!

**Year 1**

Over the past few weeks year 1 has been working on their cricket skills. This week Miss Fowler joined a lesson to work on her skills with the children. They all loved learning how manoeuvre the ball with their bat and practising their throwing, catching and other cricket skills.

**Year 2**

This week, Year 2 have been developing mapping skills by using aerial photographs to create plans of a route from school to the local park.

**Year 3**

Year 3 had great fun getting their hands dirty, making seed bombs! They mixed flower seeds, clay, compost and sheep wool together with water and then made over 100 little seed bombs!

#### **Year 4**

Year 4s worked hard on practising their times tables this week; playing bingo, doing their rolling numbers, playing times table snap and improving their scores on Times Table Rockstars!

#### **Year 5**

Year 5 have been learning to make coil pots out of terracotta clay.

#### **Year 6**

In Year 6, we have continued our reading for pleasure through 'interviewing' each other on our favourite reads...

We have learnt a lot about different book choices from each other, and we really enjoyed comparing our favourite books!

**Nursery Corner**

Nursery now have two P.E. sessions a week with the school's specialist sports coach Mr Goodwin.

We use the school hall on a Tuesday morning when the children have access to the soft gym equipment, alongside a climbing, balancing and jumping activity led by Mr Goodwin.

On a Thursday morning, we use the MUGA area outside with Mr Goodwin introducing different ways to move our bodies with fun games and activities. These sessions are always very popular with the children.
