Re: Further planned strike action at GEORGE GRENVILLE ACADEMY
on WEDNESDAY 5th and FRIDAY 7th JULY

Dear Parent/Guardian,

As you probably know, there are two further days of strike action on **Wednesday 5th July** and **Friday 7th July**. As it currently stands, we do have some staff striking and as a result, I will be taking the following action:

- For both days, school will be **closed** to the **Reception and Year 1 classes**
- Children in Years 2, 3, 4, 5 and 6 are able to attend as usual.
- We will send children in Reception and Year 1 home with some paper based work and ideas for further learning on Tuesday 4th July as the teachers who are striking do not engage in school work during a strike day.

I am sorry for any further inconvenience, but am also very aware of the strength of feeling in the profession. This is particularly the case in the light of the government's decision not to provide schools with the funds to cover the proposed salary increase, thus putting extra pressure on already inadequate school budgets.

Yours sincerely

Emma Killick

Headteacher

LIONEL BART'S
Oliver!
JR!

Dear parents/carers,

We are really excited to tell you about this year's end-of-year production of **Oliver! Jr**

All children in years 3, 4, 5 and 6 have been working so hard on this show and we are all looking forward to the performance.

This year, we have been lucky enough to secure **THE ROXBURGH THEATRE** at **STOWE SCHOOL** again to provide the children with a true theatrical experience. The children loved this experience so much last year and it is wonderful to be developing such a close relationship with Stowe School and showing them what talented children we have here at Grenville.

We would love for as many Grenville families (and friends) to come and support the children and enjoy the show. The children in Reception, Year 1 and Year 2 have also been learning some of the songs and I am sure they would love to come and sing along!

Tickets are £3 each and will be on sale from Friday 23rd July via Parentmail. This will close on Friday 7th July at midnight.

PERFORMANCE 1 = Friday 14th July at 3.45pm

PERFORMANCE 2 = Friday 14th July at 6.30pm

We hope to see many of you there!

FROGGS will be selling refreshments at each performance

Red Arrows Fly By

It was lovely to have so many of the school community stay and watch the Red Arrows fly directly over the school. Thank you also to everyone who supported the Year 6 Enterprise stalls. The children are working really hard to start a small business so please keep visiting them!

Reception

This week, Reception have enjoyed learning about the adventures pirates went on. We have enjoyed swinging from the ship's sails, making pirate ships and seeing if they would float, digging for treasure and making treasure maps. It has been quite the adventure. We even found a frog handing in our pirate ship!

Year 1

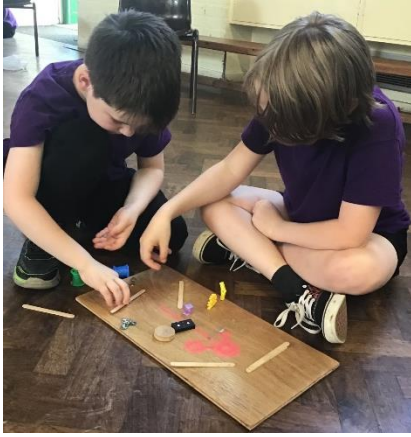

Year 1 this week, flew all the way to Australia to find amazing facts for their topic.

Year 2

This week, Year 2 have enjoyed some incredible science! After an inventing show on Tuesday, yesterday the children had the opportunity to try and test different water wheels...and who doesn't love water experiments in summer?

Year 3

On Thursday, Year 3 enjoyed working with visitors from the Science Oxford Centre to engineer marble runs that would make a marble roll down a slope as slowly as possible.

Year 4

This week in Year 4, we have loved science! We had a great time classifying animals. We started by sorting buttons into different groups based on different characteristics and then began using a classification key to sort animals into different groups!

Year 5

Year 5 absolutely loved their K'nex workshop with Science Oxford. They demonstrated great teamwork when acting as engineers and building their fantastic bridges.

Year 6

Year 6 thoroughly enjoyed their visit from Science Oxford and embraced their K'nex challenge to build a stable, strong structure, demonstrating fantastic team work skills!
