RE: Campfire Education Trust Parent Survey

Dear Parents and Carers at George Grenville Academy,

Firstly, I am writing to introduce myself. As the incoming CEO at Campfire Education Trust, I have been spending time over the past month getting to know the schools, the leaders and the staff. Most importantly, as I have been visiting each of the schools, I have also had the privilege of meeting many of the pupils and seeing their learning too.

In this first term I am spending a considerable amount of my time seeking feedback about the impact of our work so that I understand the strengths and areas for improvement across each of the schools, and the Trust as a whole.

As parents and carers within the George Grenville Academy community your views really matter and we would appreciate your feedback. I would therefore be grateful if you could take the time to answer the questions in this survey: [Parent/Carer Survey](#)

Please note that the survey will be closed at midday on Thursday 30th June. If you have any questions about the survey, please contact Jacqui Collins our Trust Administrator: jcollins@campfiretrust.co.uk

Building strong and effective partnerships with parents/carers, local communities, and across the Campfire Education Trust is fundamental to the success and support of all our pupils. Therefore, I will be in touch again before the end of the summer term with a further update.

I would also like to take this opportunity to thank you for your continued support of George Grenville Academy.

Best wishes,

A handwritten signature in black ink, appearing to read 'S. Mitchell'.

Sports Day is on **Wednesday 29th June 2022**, starting at **1pm** for all children in Reception to Year 6.

It will take place on the **Royal Latin School Field**.

Parents/carers can arrive from **12.45pm**, using the entrance through Swan Pool Car Park, to the Royal Latin School Field.

The spectating area for parents/carers will be marked out clearly, and staff members will be there to guide you.

Once Sports Day has finished (3pm), children will be dismissed from their class teacher at the Royal Latin School, and signed out.

Any child without a parent/carer at Sports Day will be walked back to school to be collected as usual.

Please ensure your child has a **water bottle**, and **wears sun cream**.

We are excited to inform you that the summer fete is now going ahead thanks to some wonderful parents who have stepped up and are willing to organise this event for the children.

It will take place on **Friday 15th July** straight after school. There will be a BBQ, bottle tombola, refreshments and lots of games for the whole family to enjoy. Please put it in your diary and if you are able to volunteer to support with a stall, then we would love to hear from you. Please email your class teacher if that is the case.

There will be a raffle and tickets will go on sale on **Friday July 1st**.

Friday July 8th will be a **NON-UNIFORM** day. Instead of bringing a pound, please could you donate a bottle for the tombola? There will be an adult bottle tombola and a children's one, so anything that comes in a bottle would be very much appreciated.

We hope to see you all there!
Thank you for your support.

Transition Day – Meet Your New Class Teacher

Dear parents and carers,

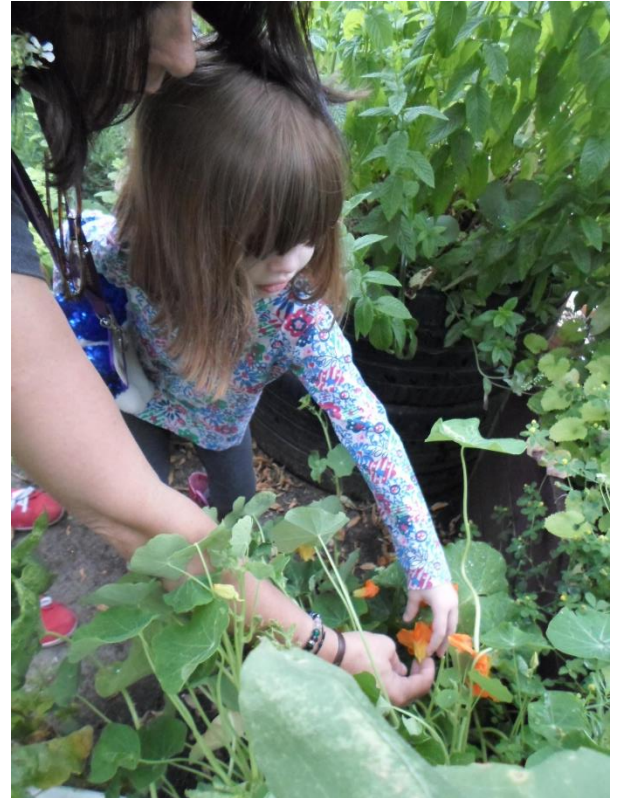

I can't believe the year is almost done and transition day has come round again! On **Tuesday 5th July**, we will be holding our transition morning, where your child will get to meet their new teacher and spend some time with them as a class. We will also be welcoming our new Reception class for the morning and we are looking forward to getting to know all the new faces!

In order to prepare for this transition day and to help the children get ready for September, I wanted to let you know which teacher will be working in which year group. We will confirm which support staff are working in each classroom on the day.

We do have some staff changes taking place in September. Caroline Ryan is semi-retiring. She will no longer be the deputy headteacher and SENCO, but will still be working at Grenville for two days a week supporting the new leadership team. Miss Elle Brown is stepping up as our new assistant headteacher and SENCO and we will be welcoming Mrs Emma Bradley to the school, who will be working alongside Ms Brown as the other assistant headteacher. I am also very pleased to welcome Mrs Jenni Good, who has been training with us this year, Mrs Jo Brice and Mrs Claire Bush to our teaching team. Mrs Bush will also be teaching Spanish across the school. This does mean that sadly, we will have some members of staff to say goodbye to. Ms Thornton is moving to a different school to take on a new challenge and Mrs Fallaize is experiencing an exciting career change. Mrs Langley is moving to Scotland and Mrs Hodgson-Brown is retiring. I hope you will join me in thanking all of them for their hard work and dedication to the children and families at Grenville.

Class	Teacher
Reception	Teresa Rowlands and Jo Brice
Year 1	Jenni Good (4 days) Claire Bush (1 day)
Year 2	Clare Haynes
Year 3	Colin Spencer
Year 4	Jess Fowler
Year 5	Megan Ellison
Year 6	Emma Bradley (mornings) Elle Brown (afternoons)

Nursery Corner

The time has finally come to harvest some of our plants sown in the spring. We picked peas, sugar snaps, nasturtiums and lemon mint. We then used our senses to first smell what we had collected, then to eat what we had collected.

The sugar snap peas were definitely the most popular!

Reception

Reception have been enjoying playing in the ice-cream parlour. They have been sharing out scoops of ice cream between them.

Year 1

On Monday, Year 1 went on a Pokemon hunt. We were looking for animals in our outdoor area. Just like in Pokémon, we had to group them together. We sorted them and learnt all about different animals groups. Year 1 loved using their poke balls to catch animals. We even found a live toad.

Year 2

In Science, Year 2 have been investigating plants and how they grow. They have loved the responsibility of planting lettuce, pea or bean seeds at home, watching them grow and then harvesting. They are also using cress seeds to investigate what happens to a plant without water or light.

Year 3

This week, Year 3 have been learning about Stonehenge and different theories about why it was built. After discussing these theories, we used plans of the site to make our own replica Stonehenges using biscuits!

Year 4

Year 4 had a great time on their trip to Hazard Alley this week. They learnt all about the ways to keep themselves safe in different situations and even got a chance to make a 999 phone call.

Year 5

This week, Year 5 have started making their Greek pots. We're excited to decorate them and see the finished products!

Year 6

Year 6 has been getting outside in maths, using our learning to find circles and calculate their properties.
