Year 4	Romaeo	Odin
Year 5	Niha	Emily
Year 6	Sophie D	Isobel

3. Recipients: Whole School
Action Required: Information

Date: 24-Sep-21

Off By Heart Poetry Competition

As part of our celebration of National Poetry Day, we are running a 2021 **Off By Heart** competition.

We have selected a range of poems, from simple rhymes to classic poetry, including both funny and thoughtful poems, and your child can choose just one of them to learn. Your child will be bringing a selection of poems home that they can choose from so please look out for it in their bag!

The children can choose to simply recite the poem (learn it off by heart), or put actions in as well. Each class will hold their own competitions in the week starting October 4th and the winners from each class, will perform at our special Poetry Celebration Assembly on Friday 8th October at 2:00pm.

Our Reception class will be filming the whole class performing a poem and we will show that as part of the celebration assembly.

Learning poetry by heart is a great way to develop vocabulary for writing as well as boosting memory skills so we urge you to support your child in learning their chosen poem.

Reception

Reception have been working hard on their “Funky Fingers” activities this week.

Year 1

This week, year 1 have been learning all about subitising numbers. We have been playing snap to see if we can match visual images with numbers.

Year 2

Year 2 have been making string printing blocks (under the watchful eye of Barry). We have based our designs on elements and are no way near as glue-y as Mrs Haynes was expecting!

Year 3

Here are some pictures of Year 3 exploring Tutankhamen's tomb and working together to sketch the treasures they saw within.

Year 4

In science this week, Year 4 have been investigating the digestive system. They've learned about how the food travels from the mouth, right down to the waste that gets left behind!

Year 5

Year 5 have been investigating thermal insulators and conductors. They have also been revisiting their key vocabulary for this topic to support their understanding of key words.

Year 6

Year 6 took the roles of blood cells, heart, lungs and body organs to demonstrate the journey of blood through the circulatory system.

5 Recipients: Nursery

Date: 24-Sep-21

Action Required: Information

Nursery Corner

We have really enjoyed retuning to soft gym in the hall for our Tuesday morning P.E. slot.

We can explore the soft gym independently or wait our turn and practice our climbing and balancing skills with Mr Goodwin.

6 Recipients: Whole School

Date: 24-Sep-21

Action Required: Information
