End of Year Parties (Reception, Year 1, 2, 3, 4 and 5)
Booking Reminder!

Instead of the traditional disco, we will be holding an end of year party for each bubble. This will be organised by the teaching staff for each bubble and the FROGGS team will be supporting by supplying the food.

Tickets cost £5 and are available to book on parentmail until Friday 9th July. The ticket price includes food (pizza tea followed by cake), drinks and entertainment for the evening.

This will all be done in line with our covid risk assessment and we hope your child will be able to join us. The dates and times for each party are as follows:

Reception – Wednesday 14th July 4.30 – 6.00pm

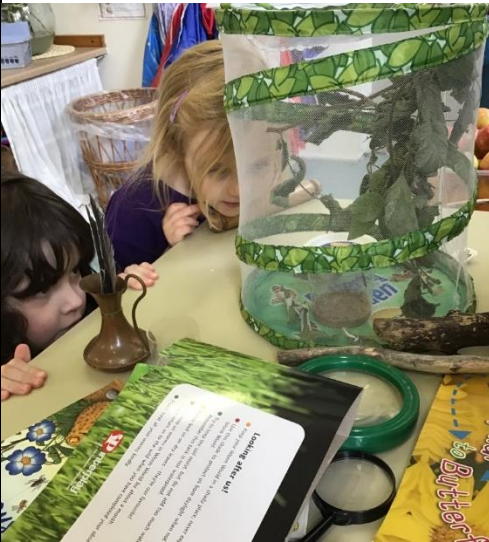

Year 1 and 2 – Friday 16th July 5.30 – 7.00pm

Year 3 and 4 – Monday 19th July 5.30 – 7.00pm

Year 5 and 6 – Tuesday 20th July 6.00 – 8.00pm

(Please note, the Year 6 will be a separate leaver's dinner and join the Year 5s for the party. Mrs Thornton will communicate the details to Year 6 separately.)

Please book now on parentmail so we can cater for the correct numbers.

Reception

The children in Reception have been hunting for bugs! They were fascinated with all the woodlice living under the rocks in our garden so we read "I'm a Pill Bug" by Yukihisa Tokuda and found out some interesting facts! We have a tank in our class with woodlice and stick insects. We even have our own wormery, to put the worms we find in, so we can see what they do under the soil.

Year 1

Year 1 have been learning all about Australia and part of this has been learning about aboriginal art. Year 1 have been practising this style of art by using cotton buds to create dots around animal outlines.

Year 2

Year 2 have been learning about plants this half term and what a plant needs to grow. They have grown salad plants (check out the carrots!) and tried to grow cress seeds in different conditions.

Year 3

In RE this week, Year 3 have been learning about Christian stories from the Bible, in particular about Jesus was upset in the Temple. They discussed the emotions and reasons for his actions, linked to the story.

Year 4

Year 4 have been busy working on writing their own legends and have published them by creating their own books. They have added some beautiful illustrations and thought hard about their handwriting!

Year 5

Year 5 enjoyed their fluency activity in maths which involved using dice to multiply and divide by 10, 100 and 1000. They have then been applying this to convert metric units of measurement.

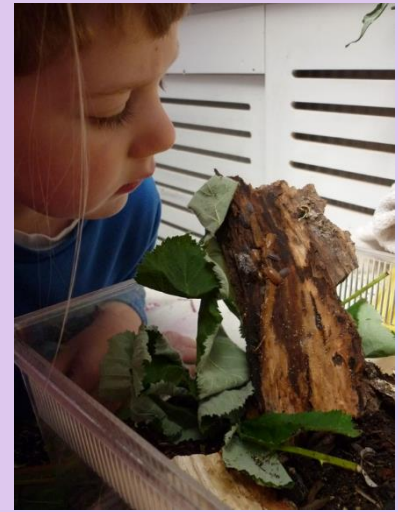

Year 6

Year 6 were very proud this week when we received 10 first-edition books from the Pop Up Projects' '10 stories to Make a Difference' booklist.

The books all celebrate diversity (difference) and are absolutely brilliant! These books were awarded to the school in the name of Priscilla. who won a Pop Up competition to design her own – very different - characters! Thank you, Priscilla!

Nursery Corner

We have really enjoyed having the various small creatures in nursery this week and have been able to closely examine their movements and how they interact in their own environments.

This has inspired us to go out and find mini creatures in our own outdoor area.

Every participant is on mute so that there is no echo or background noise. You won't be able to take yourself off mute.

If you click on the speech bubble with a question mark, you will be able to ask any questions you may have. Whilst presenting, a Bushcraft colleague will be keeping an eye on the question box so if there is anything you need to communicate during the presentation, this is how to do it.

Once they have finished the presentation there will be time to ask any questions during a Q&A session. We all look forward to hearing more about the adventures!

Information

Although you have watched either the live or recorded webinar providing you with key information including timings and kit lists, we will be sending another parentmail this week. There will also be a paper pack sent home next week with forms that will need to be filled out and returned by Friday 9th July at the latest. Please keep a look out and contact either Ms Thornton (Year 5/6 residential) or Miss Brown (Year 3/4 residential) if you have not received your information pack by Friday 2nd July.
