<p>1. Recipients: Whole School Date: 28-May-21 Action Required: Information</p> <p><u>Letter from the Headteacher</u></p> <p>It is hard to believe that we are at the end of another half term! The good news is the sun seems to be trying to come out and we are all looking forward to enjoying the warmer weather as we move further towards the summer.</p> <p>During this half term, the children have been focussing on their mental health and they have been enjoying some extra wellbeing sessions with their sports coaches. This has ranged from team-building activities to yoga and mindfulness sessions which have all had a really positive impact on how the children have coped with the return to face-to-face education. Each class has also enjoyed trips to Chandos Park this term which have added a 'normal' feel to such a strange school year.</p> <div data-bbox="509 1149 1129 1485" data-label="Image"></div> <p>We also have an exciting update to share with you all. As I explained at the start of the year in the class information videos, we have been able to start work on the children's kitchen thanks to the hard works from our FROGGS team and the generosity of the school community. The decorators, electricians and plumbers are all hard at work and Barrett Homes will be arriving in a week to start fitting the kitchen they have kindly donated. The extra fundraising that is currently taking place will help us kit out the kitchen and the children are really excited to use it. We will have an official virtual 'opening' ceremony as soon as it is finished which I hope you will all join.</p> <p>I hope you all have a lovely half term break and I am looking forward to welcoming the children back to school on Monday 7th June.</p> <p>Mrs Killick</p>

Nursery Corner

After half term we will be reading the book 'Riley can be Anything' by Davina Hamilton. In the book Riley explores different occupations and things he can do when he's grown up, until he realises, he can be anything he chooses.

In nursery, will be exploring different occupations and ways of life and asking the children what they would like to do when they are older.
