Reception

This week Reception have had lots of fun playing different parachute games and showing great team work!

Year 1

This week we have been retelling the story of the Snail and the Whale. Year 1 have worked really hard on using story language.

Year 2

Year 2 have been making observational drawings in art, using their new skills in applying shading and tone.

Year 3

This week year 3 were introduced to their theme all about The Stone Age. They had a wonderful time digging for flint thinking about the uses they might have had. They also created cave paintings in their classroom.

Year 4 and Year 5

On Monday, Years 4 and 5 had a fantastic day working with the Young'Uns. They had to do a little research on Saint Rumbold beforehand and learnt about the legend. Although many children knew about St Rumbold's Well, they weren't aware of the Anglo Saxon legend that was told about him - an infant who lived for three days and allegedly his final resting place was here in Buckingham.

During the day with The Young'Uns, the children participated in lots of fun activities and by the end of the day had written their own song and even helped with creating the tune. A super day was had by all and Years 4 and 5 cannot wait to perform the song soon!

Year 6

In Year 6, the children learnt about the micro-organism yeast, and investigated what yeast needs to grow. Then, with Miss Ellison, they started work on their own leaf classification keys, using all the wonderful leaves that they were able to find around the school!

News from Nursery

We have started to introduce 'Helicopter Stories' to our older nursery children. It has been really positive, and we have been really impressed with the wonderful stories the children have shared with us. We have heard stories about; princesses, Barbie riding a bike, dogs walking on cheese covered paths and a story today about a ninja jumping from a spaceship with a parachute. We act out every story as a group to further embrace the wonders of storytelling.

For more information about helicopter Stories visit <https://helicopterstories.co.uk/>

Good Luck Mr Peacock

Mr Peacock has been Grenville's caretaker and site supervisor for nearly NINE years! During this time, he has developed a landscape business of his own. Mr P (as we all like to call him) has decided that the time has come to spend more time developing Peacock's Window Cleaning and Garden Maintenance Service. We wish him lots of luck and would like to take this opportunity to thank him for all of his hard work over the years.
