

## BUILD IT HIGH

CHORUS: We've got a problem, we can work it out

Let's get together, that's what it's all about.

Got to build it, build it high. Got to build it, build it high

(Repeat)

1. Don't give in because you failed your first attempt

Don't start shouting, there's no point in argument

Let's stand united, take the challenge in our stride

Just remember that we're on the same side

CHORUS (once)

2. Don't start blaming someone else when things go wrong

That's wasting precious time and we don't have too long

No use in panic when the situation's grim

Trust in teamwork, and let the game begin

CHORUS (twice)

## AMANI UTUPE

1. As we travel down this weary road, Amani utupe naustawi

We need strength to carry on our load, Amani utupe naustawi

Grant us peace, give us courage, Amani utupe naustawi (repeat)

2. Road is rocky and the way is dark, Amani utupe naustawi

Ev'ry road has a diff'rent fork

Grant us peace, give us courage, Amani utupe naustawi (repeat)

3. Hallelujah, hallelujah, Amani utupe naustawi (repeat)

Grant us peace, give us courage, Amani utupe naustawi (repeat)

(quiet) Grant us peace, give us courage. Amani utupe naustawi, Amani utupe naustawi
