

## String Instruments

### Task 1 – Read the facts in this diagram

### Task 2 – Answer the following questions in full sentences

1. Which is the smallest String instrument?
2. What material is used to make the bow?
3. Which String instrument has the lowest pitched sound and why?
4. Which String instrument features more than any other instrument in an orchestra?
5. What is double stopping?
6. How many notes lower than written does a Double Bass sound?
7. In which two ways can a String instrument be played?
8. What are the four most common String instruments? Start with the **LOWEST** pitched first.

### Task 3 – Complete the following extension activity

From your own knowledge, write down a list of String instruments that you would not find in an Orchestra and that have not been mentioned above.
