

THE VICTORIANS

Desks in straight lines, hair in buns
Classes of 50 writing out sums
Canes for the naughty, no hugs for the sad
And for the lefties – the dunce's hat!

CHORUS

We're Victorians, ask a historian, Life for kids was rough
We're Victorians, very dinosaurian
If you think your school is rough, then pity us.

Kings and Queens and Latin grammar
Hard to say with a ssstammer
No PE, computers or art
If you ask me, life was hard!

CHORUS

The British Empire covered the Earth
But the city streets were covered with dirt
We were hungry and worked too much
Instead of cinemas we had the church

CHORUS

If you think your school is tough
Then pity us (x 2 fade out)
