Welcome Message from FROGGS

Friends of George Grenville Academy would like to welcome all of our new parents and share in the great news, that you can now call yourself a Frogg!

As the schools FPTA, we proudly support the school, fundraising for the extras you see around you and items your child uses in school. In the last few years we have raised money to pay for the MUGA (Multi Use Games Area) making more of the school grounds accessible year round; class sets of iPads and our current project, the refurbishment of the children's kitchen – More about that in future letters!

The current situation has meant that our fundraising in the Spring and Summer terms were affected hugely, missing out on our Mother's Day Sale, Easter Eggstravaganza, Annual Quiz Night and Summer Fayre as well as the end of year Disco. We would normally have many plans for the Autumn term, especially in the run up to Christmas, but this year we need to get our thinking hats on...

So, if you have any bright, Covid Secure ideas of how we can raise some funds this year to ensure our kitchen can be completed, we would really appreciate it.

You can contact us via Froggspta@gmail.com or via the Parents and Teachers of George Grenville Academy Facebook page. This is Private page and if you haven't joined already, it is a great way of asking questions and finding out about what is happening at the school.

We imagine our AGM this year will need to be via a Zoom meeting in October, so look out for details in the next few weeks.

Many thanks and we can't wait to meet everyone face to face as soon as possible,

Emily Pool

Chair
