Tuesday 1st September 2020

Dear Year 6 children, parents and carers,

I hope that you have had a lovely summer and that you are looking forward to our return to school - and Year 6 - as much as I am!

Although there are some changes in our schedules and procedures (which parents will know about) we are very fortunate in that we are not having to change classrooms, so it will all be quite familiar to you. The only change (as you may remember from transition day) is that all children will be facing forward during class time, and that we will be in a 'bubble' with Year 5 for out-of-class activities.

This term, our timetable will involve learning the whole range of subjects across the curriculum. The theme will be 'War & Peace' and we will be studying both world wars. Much of our English work will be linked to this theme, and we will start with reading 'Letters from the Lighthouse' by Emma Carroll. I love the story and we will enjoy studying the text together!

I can't wait to see you all again in the morning!

Best wishes,

Ms Thornton
